Re: 2020 Fire Certificate of Occupancy

Dear Rental property owner / management,

In response to the unprecedented impact of the COVID-19 pandemic and the Governor's Executive Stay at Home Order. The City of Vadnais has suspended the 2020 Fire Certificate of Occupancy inspections and has extended the validation of your 2019 Fire Certificate of Occupancy certificate through the year 2020.

The reason for this suspension and extension is that it is not feasible for the Fire Department to carry out these inspections because of the extra burden that it may place on your staff and ours to accommodate these inspections.

Please feel free to contact me with any questions, if a business requires additional validation of the extension of 2019 Fire Certificate of Occupancy they may contact the Fire Department directly.

Sincerely,

A handwritten signature in black ink that reads "Chris Hearden". The signature is fluid and cursive.
